DECLARATION OF COVENANTS, CONDITIONS AND RESTRICTIONS
FOR
SAGEMOUNT SUBDIVISION

Return to: Wyatt Early Harris Wheeler LLP Prepared by: Grant W. Almond
 1912 Eastchester Drive, High Point, NC 27265

THIS DECLARATION is made this 7th of June 2021 by **Bales Chapel, LLC**, a North Carolina limited liability company (the "Declarant").

Recitals:

Declarant is the owner of the real property shown on a map of Sagemount, recorded in Plat Book 206 at Pages 99 in the Guilford County Public Registry (the "Plat"), which property is more particularly described in Section 1 of Article II below. Declarant desires to create a planned community to be named Sagemount Subdivision to include both single family and town home residences.

Declarant desires to insure the attractiveness of the community, to prevent any future impairment thereof, to prevent nuisances, to preserve, protect and enhance the values and amenities of all property within the community; to provide for the maintenance and upkeep of the Common Areas, as hereinafter defined; and to this end desire to subject the real property described in Section 1 of Article II to the covenants, conditions, restrictions, easements, charges and liens hereinafter set forth, each and all of which is and are for the benefit of said property described below and each owner thereof.

To achieve the above objectives, Declarant has deemed it desirable to create an organization to which will be delegated and assigned the power of owning, maintaining and administering the Common Area, administering and enforcing the covenants and restrictions applicable to the community and collecting and disbursing the assessments and charges

hereinafter created. Declarant has incorporated under North Carolina law, Sagemount Owners Association, Inc. as a nonprofit corporation for the purpose of exercising and performing the functions described above.

NOW, THEREFORE, Declarant, by this Declaration of Covenants, Conditions and Restrictions, does declare that portions of the property shown on the map of Sagemount Subdivision referred to above and more particularly described in Article II below, which shall be held, sold and conveyed subject to the easements, restrictions, covenants and conditions, charges and liens set forth in this Declaration, which are for the purpose of protecting the value and desirability of the property, and which shall run with the title to the real property, shall be binding on all parties having any right, title or interest in the described property or any part thereof, their heirs, successors and assigns, and shall inure to the benefit of each owner thereof.

ARTICLE I DEFINITIONS

Section 1. "Association" shall mean and refer to Sagemount Owners Association, Inc., a North Carolina nonprofit corporation, its successors and/or assigns.

Section 2. "Owner" shall mean and refer to the record owner, whether one or more persons or entities, of a fee simple title to any Lot which is a part of the Property, including contract buyers, but excluding those having an interest merely as security for the performance of an obligation.

Section 3. "Property" shall be defined in Article II, Section 1, hereof.

Section 4. "Lot" shall mean and refer to any numbered plot of land, with delineated boundary lines appearing on any recorded subdivision map of the Property (with the exception of Common Area), and shall include all improvements thereon.

Section 5. "Declarant" shall mean and refer to Bales Chapel, LLC, a North Carolina limited liability company, and its successors and assigns.

Section 6. "Common Area" shall mean and refer to all real property owned by the Association for the common use and enjoyment of the Owners. Common Areas, with respect to the property subject to this Declaration, shall be shown on the various plat or plats of Sagemount, recorded or to be recorded in the Guilford County Public Registry and designated thereon as "Common Area," "Open Space," or other similar designations, but shall exclude all Lots as hereinabove defined which are shown thereon. The Common Area to be owned by the Association at the time of the conveyance of the first Lot is shown as such on the plat identified in Section 1 of Article II.

Section 7. "Member" shall mean and refer to every person or entity who holds membership in the Association.

Section 8. "Act" shall mean and refer to the North Carolina Planned Community Act, Chapter 47F, North Carolina General Statutes.

Section 9. "Special Declarant Rights " shall mean the rights as defined in Section 47F1 103(28) of the Act for the benefit of a Declarant, including, but not limited to the following: to complete improvements indicated on plats or plans filed with or referenced in the Declaration; to exercise any development right as defined in the Act; to maintain sales offices, management offices, models and signs advertising the subdivision; to use easements through the Common Area for the purpose of making improvements within the subdivision or within real estate which may be added to the subdivision; and to elect, appoint or remove any officer or Board member of the Association during the Development Phase.

ARTICLE II PROPERTY SUBJECT TO THIS DECLARATION

The property which is and shall be held, transferred, sold, conveyed and occupied subject to this Declaration and within the jurisdiction of the Association is located in Guilford County, North Carolina, and is described as follows:

BEING ALL OF THE PROPERTY shown on the Final Plat of Sagemount, which is recorded with the Register of Deeds for Guilford County, North Carolina in Plat Book 200, at Page(s) 99.

ARTICLE III MEMBERSHIP AND VOTING RIGHTS

Section 1. Membership Interest. Every Owner of a Lot which is subject to assessment shall be a Member of the Association. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment.

Section 2. Voting Rights. The voting rights of the membership shall be appurtenant to the ownership of the Lots. The Association shall have two (2) classes of voting membership.

(a) Class A. Except as provided below, Class A Members shall be all Lot Owners except the Declarant; and Class A Members shall be entitled to one (1) vote for each Lot (Class A Lot) owned. When more than one person owns an interest (other than a leasehold or security interest) in any Lot, all such persons shall be Members and the vote appurtenant to said Lot shall be exercised as they, among themselves, determine, but in no event shall more than one (1) vote be cast with respect to any Lot.

(b) Class B. Class B Member shall be the Declarant (as defined in this Declaration); and such Member shall be entitled to three (3) votes for each Lot (Class B Lot) owned.

The Class B membership shall cease to exist and shall be converted to Class A membership with one vote for each Lot owned, on the happening of either of the following events, whichever occurs earlier:

(1) When the total number of votes appurtenant to the Class A Lots equals the total number of votes appurtenant to the Class B Lots; or

(2) On December 31, 2030.

Provided, further, that nothing herein shall be construed to prohibit Declarant from converting all or part of the Class B membership to Class A membership, with the results set forth above at any time earlier than the alternative events referred to above, by written statement executed by the Declarant and delivered to the Association.

Section 3. Control by Declaration During Development Phase. Notwithstanding anything to the contrary in this Declaration, during the Development Phase (as defined herein), the Declarant shall have the right to designate and select the board of directors of the Association, which may consist of one person during the Development Phase. For purposes of this section the "Development Phase" shall mean the period beginning on the date of incorporation of the Association and continuing until the earlier of (a) December 31, 2030, (b) the date when each Lot has been transferred to an Owner following the issuance of a certificate of occupancy for a residence on such Lot, and (c) the date when the Declarant notifies the Association in writing that the Declarant has waived its right to designate and select the board of directors. Without waiving its right to designate the board of directors, the Declarant may designate certain Owners to serve on the board of directors. Whenever the Declarant shall be entitled to designate and select any person or persons to serve on any board of directors of the Association, the manner in which such person or persons shall be designated as provided in the Articles of Incorporation and/or Bylaws of the Association. The Declarant shall have the right to remove any person or persons selected by it to act and serve on said board of directors and to replace such person or persons with another person and persons to act and serve in the place of any director or directors so removed for the remainder of the unexpired term of any director or directors so removed. Any director designated and selected by Declarant need not be the Owner of a Lot. Any representative of Declarant serving on the board of directors of Association shall not be required to disqualify himself or herself from any vote upon any contract or matter between Declarant and the Association where Declarant may have pecuniary or other interest. Similarly, Declarant, as a Member of the Association, shall not be required to disqualify itself upon any contract or matter between Declarant and the Association where Declarant may have a pecuniary or other interest.

Section 4. Suspension of Voting Rights. Voting rights attributable to an ownership interest in a Lot shall, as permitted by the Act, be suspended throughout the term of any default by an Owner of a Lot under the Bylaws or of this Declaration of Covenants, Conditions and Restrictions or of rules and regulations adopted and published by the Association.

ARTICLE IV PROPERTY RIGHTS

Section 1. Owners' Easements of Enjoyment. Every Owner shall have a right and easement to use and enjoy the Common Area, which rights and easements shall be appurtenant to and shall pass with the title to every Lot, subject and subordinate to the provisions, rights, easements, restrictions and limitations stated in this Article and elsewhere in this Declaration or shown on the plat or plats of the Property.

(a) The Association shall have the right to adopt and publish rules and regulations governing the use of the Common Area.

(b) The Association shall have the right, as permitted by the Act, to suspend the voting rights of an Owner for any period during which any assessment against the Owner's Lot remains unpaid; and for a period not to exceed sixty (60) days for any infraction of the Bylaws, this Declaration and published rules and regulations, if any.

(c) The Association shall have the right to dedicate or transfer all or any part of, or any interest in, the Common Area to any public or private agency, authority, or utility for such purposes and subject to such conditions as may be agreed to by the Members. No such dedication or transfer shall be effective unless the Members entitled to at least eighty percent (80%) of the votes appurtenant to each Class of Lots (Class A and Class B) agree to such dedication or transfer and signify their agreement by a signed and recorded written document; provided that the foregoing shall not preclude the Association or Declarant, without such agreement by the Members, from granting easements to public authorities or utilities or to individual Lot Owners, or to others for the installation and maintenance of electrical, telephone, cable television, water and sewerage service and drainage facilities and other utilities upon, over, under and across the Common Area, without the assent of the membership when, in the sole opinion of the Board of Directors or Declarant, such easements do not interfere with the use and enjoyment of the Property or are necessary for the convenient use and enjoyment of the Property.

(d) The Association shall have the right, with the written assent of Members entitled to at least eighty percent (80%) of the votes appurtenant to each Class of Lots (Class A and Class B) to mortgage, pledge and deed in trust any and all of its real or personal property as security for money borrowed or debts incurred for the purpose of improving the Common Area and facilities, with the rights of such creditors to be subordinate to the rights of the Owners hereunder.

(e) The Association shall have the right to adopt, publish, and enforce rules and regulations as provided in Article IX.

(f) The Association shall have the right, without Owner, mortgagee or agency approvals, to exchange portions of the Common Area, free and clear of the Owners' easement rights, for other portions of the Property; provided, however, that no such exchange shall reduce the total open space area below applicable zoning requirements, and all Lots previously adjacent to the Common Area remain so located unless the Owners of such Lots approve the exchange.

(g) The Declarant shall have the right, during the Development Phase, and without Owner, mortgagee or agency approvals, to exchange portions of the Common Area, free and clear of the Owners' easement rights, for other portions of the Property; provided, however, that no such exchange shall reduce the total open space area below applicable zoning requirements. If the Common Area has been conveyed to the Association, the Declarant shall have the right to cause the Association to effect the Declarant's rights under this paragraph.

(h) The Declarant shall have the right, without Owner, mortgagee or agency approvals, to reconfigure the boundaries of any Lot or Lots owned by the Declarant, to create additional Lots, eliminate existing Lots or create additional Common Areas or eliminate portions of existing Common Areas; provided, however, that the Property shall not contain a greater number of Lots than the maximum number permitted by applicable governmental authority. If the Declarant elects to exercise its right to reconfigure the boundaries of one or more Lots owned by the Declarant, Declarant shall record a revised plat of the affected Lot or Lots. Upon the recording by the Declarant of such a revised plat, each lot shown on the previously recorded plat or plats, the boundaries of which are revised by the revised plat, shall cease to be a "Lot" as defined in this Declaration and each newly configured lot shown on the revised plat shall be a "Lot" as defined in this Declaration. If the Common Area has been conveyed to the Association, the Declarant shall have the right to cause the Association to effect the Declarant's rights under this paragraph.

Section 2. Delegation of Use.

(a) Family. The rights and easement of enjoyment granted to every Owner in Section 1 of this Article IV may be exercised by members of the Owner's family who occupy the residence of the Owner within the Property as their principal residence in the county in which the Property is located.

(b) Tenants or Contract Purchasers. The right and easement of enjoyment granted to every Owner in Section 1 of this Article IV may be delegated by the Owner to his or her tenants or contract purchasers who occupy a residence within the Property as their principal residence.

ARTICLE V

COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Assessments. The Declarant, for each Lot owned within the Property, hereby covenants, and each Owner of any Lot by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association (a) annual assessments or charges and (b) special assessments for capital improvements; such assessments to be established and collected as hereinafter provided. In addition, the Association may establish an initiation fee to be assessed against each new Owner who acquires title to a Lot in order to defray certain administrative costs, including for example only, providing copies of the bylaws, declaration, rules and regulations, budget, assessment schedule, and other pertinent information, provided that such fee shall not be assessed until such Lot is transferred to an Owner following the issuance of certificate of occupancy for a residence thereon. The charge for the new member initiation fee shall be collectible as an additional assessment against the applicable Lot. The annual and special assessments (including the new member initiation fee), together with interest, costs and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the Lot against which each such assessment is made. Each such assessment, together with interest, costs and reasonable attorney's fees, shall also be the personal obligation the Owner of such Lot at the time when the assessment fell due, but not of an Owner's successors in title unless expressly assumed by such successor. The covenants under this section shall be real covenants which run with the land.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote the recreation, health, safety, and welfare of the residents of the Property and in particular for the repair, improvement and maintenance of the Common Areas including the expenses associated with the Association's duties under Article VI, Section 2, signs, street lights (if not maintained by a governmental entity or utility), and water runoff and erosion control devices, as hereinafter provided, all for the use and enjoyment of the Common Area, including, but not limited to, the cost of repairs, replacements, and additions; the cost of labor, equipment, materials, management, and supervision; and the payment of taxes and public assessments assessed against the Common Area, if any. In addition, the assessments shall also be used for the procurement and maintenance of insurance in accordance with this Declaration; the employment of attorneys to represent the Association when necessary; the provision of adequate reserves for the replacement of capital improvements, and any other major expense for which the Association is responsible; and such other needs as may arise.

Section 3. Reserves. The Association shall establish and maintain an adequate reserve fund for the periodic maintenance, repair, and replacement of improvements to the Common Areas which the Association is obligated to maintain. Such reserve fund is to be established out of regular assessments for common expense.

Section 4. Maximum Annual Assessment. Until January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment shall be \$300.00 per Lot, which assessments shall be payable annually or in installments, as determined by the Board of Directors.

(a) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment may be increased by the Board of Directors, effective January 1 of each year, without a vote of membership, but subject to the limitation that any such increase shall not exceed fifteen percent (15%) above the maximum annual assessment for the previous year.

(b) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment may be increased above the increase permitted in Section 4(a) above if such increase is approved by Members entitled to no less than two thirds (2/3rds) of the votes appurtenant to each Class of Lots represented in person or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The Declarant must consent to any such increase during the Development Phase.

Section 5. Special Assessments. In addition to the annual assessments authorized above, the Association may levy, in any calendar year, a special assessment or assessments ("Special Assessments") for the purpose of defraying, in whole or in part, any costs incurred by the Association which are not paid for out of funds on hand in the Association or out of the annual assessments collected by the Association. Such costs may include, but shall not be limited to, the cost of any construction, reconstruction, repair or replacement of Common Area, including capital improvements thereon, fixtures and personal property related thereto. Notwithstanding the above, all fees and costs incurred by the Association in exploring or waging a complaint or suit against Declarant must be paid for out of a Special Assessment and, for this purpose only, such Special Assessment must be approved by a vote of the Members entitled to cast no less than twothirds (2/3rds) of all votes entitled to be cast by the Members. Any Special Assessment shall be approved pursuant to the requirements of Section 4(b) of this Article.

Section 6. Notice and Quorum for any Action Authorized Under Section 4 and 5. Written notice of any meeting called for the purpose of taking any action authorized under Section 4 or 5 shall be sent to all Members no less than ten (10) days nor more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence of members and proxies entitled to cast sixty percent (60%) of the votes appurtenant to each Class of Lots (Class A and Class B) shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement; and the required quorum at the subsequent meeting shall be onehalf (2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Uniform Rate of Assessment. Both annual and special assessments shall, except as otherwise specifically provided for in this Declaration, be fixed at a uniform rate for all Lots and shall be collected on a schedule established by the Board of Directors.

Section 8. Date of Commencement of Annual Assessments; Due Dates. The annual assessments provided for herein shall commence as to each Lot beginning with the month following the first conveyance of a Lot following the issuance of a certificate of occupancy for a residence on such Lot. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. At least thirty (30) days before January 1 of each year, the Board of Directors shall fix the amount of the annual assessment against each Lot and in the event the Board elects not to affix such assessment as herein provided, the amount of the prior year's annual assessment shall be the fixed amount. Written notice of any change in the assessment rate shall be sent to every Owner. The due dates for the payment of annual and special assessments shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid.

Section 9. Effect of NonPayment of Assessments; Remedies of the Association. Any assessment not paid within fifteen (15) days after the due date shall be assessed a late charge to be set from time to time by the Board of Directors within any statutory limits, and the assessment with late charge shall bear interest from the due date at an annual rate equal to the lesser of (a) twelve percent (12%) per annum or (b) the maximum rate allowed by law. The Association, or its agent or representative, may bring an action at law against the Owner personally obligated to pay the same or foreclose the lien as provided in Section 47F3116 of the Act against the Lot to which the assessment related; and, in either event interest, costs and reasonable attorney's fees of any such action shall be added to the assessment to the extent allowed by law. No Owner may waive or otherwise escape liability for the assessments provided for herein by nonuse of the Common Area or abandonment of such Owner's Lot. In the event of a default for a period of thirty (30) days by any Owner in the payment of any assessment levied against the Owner's unit, the Board of Directors shall have the right, after notice and hearing, to declare all unpaid assessments for the then current fiscal year to be immediately due and payable.

Section 10. Subordination of the Lien to Mortgages and Ad Valorem Taxes. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or deed of trust on a Lot and to any ad valorem taxes on such Lot. Sale or transfer of any Lot shall not affect any assessment lien. However, the sale or transfer of any Lot which is subject to any mortgage or deed of trust pursuant to a foreclosure thereof, or any proceeding in lieu of foreclosure thereof, shall extinguish the lien of such assessments as to payments thereof which became due prior to such sale or transfer (but shall not affect the personal liability of the Owner for payment of such assessments). No such sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.

Section 11. Exempt Property. All Property dedicated to, and accepted by, a local public authority and all properties, other than Lots, owned by a charitable or nonprofit

organization exempt from taxation by the laws of the State of North Carolina shall be exempt from the assessments created herein. No Lot shall be exempt from assessments.

Section 12. Working Capital Fund. At the time of closing of the sale of each Lot after the construction of the initial dwelling on such Lot, two (2) months' assessments shall be due and payable and collected and transferred to the Association.

Section 13. Escrow Account for Stormwater Maintenance. Declarant shall establish and Association shall maintain an escrow account, in conjunction with the City of High Point, to cover expenses related to the maintenance of stormwater management facilities as more particularly stated in any stormwater operation and maintenance agreement entered into with the City of High Point. This escrow account shall not be used by the Association for regular maintenance expenses. The funds in the escrow account shall be owned by the Association and any interest thereon shall be payable to the Association. If funds are withdrawn for expenses related to stormwater maintenance, the Association must replenish the account within ninety (90) days by assessing its members with fees sufficient to replenish the account to its original balance.

Section 13. Default of Owners' Association. Upon default by the Owners' Association in the payment to the jurisdiction entitled thereto of any assessments for public improvements or ad valorem taxes levied against the common areas, which default shall continue for a period of six (6) months, each owner of a lot in the development shall become personally obligated to pay to the jurisdiction a portion of the taxes or assessments in an amount determined by dividing the total taxes and/or assessments due to the jurisdiction by the total number of lots in the development. If the sum is not paid by the owner within thirty (30) days following receipt of notice of the amount due; the sum shall become a continuing lien on the property of the owner, his heirs, devisees, personal representatives and assigns. The taxing or assessing jurisdiction may either bring an action at law against the owner personally obligated to pay the same, or may elect to foreclose the lien against the property of the owner.

ARTICLE VI MAINTENANCE, REPAIR AND REPLACEMENT

Section 1. Association's Responsibility. The Association shall maintain and keep in good repair the Common Area and all improvements located thereon. This maintenance shall include without limitation maintenance, repair and replacement of all landscaping and grass areas, street lights (if not maintained by a governmental entity or utility), cluster mailboxes, streets (if not maintained by a governmental entity), and water runoff and erosion control devices and other improvements situated on the Common Area. In the event that the need for replacement, maintenance or repair is caused through the willful or negligent act of the Owner, the Owner's family, guests, lessees, or invitees, the cost of such replacement, maintenance or repairs shall be the obligation of that Owner and shall be added to and become a part of the assessment to which such Lot is subject.

The Declarant shall be obligated to construct the streets within the Property in accordance with the minimum standards of the City of High Point for acceptance of the subdivision streets into the for City maintenance. The Declarant shall not be responsible for the actions of any Owner, any builder, or any agent of either which would cause the subdivision streets to be ineligible for acceptance into the State highway system for maintenance. If any subdivision street, or portion thereof, is not accepted into the State highway system for maintenance, the Association shall maintain and keep in good repair such street or portion thereof, or for making such repairs or improvements as are necessary for such street to be eligible for acceptance into the State highway system for maintenance.

In the event the Association is terminated, dissolved or ceases to exist, the Owners of record at the time of any required maintenance to a wet detention pond shall be jointly and severally liable for all costs attendant thereto.

Section 2. Binding on Successors. The covenants under this article shall be real covenants which run with the land.

ARTICLE VII ARCHITECTURAL CONTROL

No dwelling, garage, outbuilding, fence, sign, wall, patio, deck, court, pool, fountain, birdbath, figurine, statuary or other structure or improvement of any kind (including a paved surface) shall be commenced, erected, installed, or maintained upon any Lot or upon the Common Area nor shall any exterior addition to or change or alteration of a residence building be made, including, but not limited to, color or painting of the exterior or change of the type of exterior finish, the installation of arials or awnings or the placement of reflective or other material in the windows of a dwelling, or the addition of an exterior attachment (such as a storm door) until the plans and specifications showing the nature, kind, shape, height, color, materials, and location of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Declarant during the Development Phase or thereafter the Board of Directors of the Association, or by an architectural committee, if the Board of Directors shall elect to establish such a committee (said committee being hereinafter referred to as the "Architectural Control Committee"). Absent such written approval, the proposed improvement may not be effected and, if undertaken, may be enjoined by the Association.

The installation of antennae and of satellite dishes or disks shall be permitted on a Lot if accomplished in strict compliance with the limitations and conditions imposed by the Telecommunications Act of 1996, as amended from time to time (the "Act"), but no antenna or disk which is in any dimension larger than prescribed by the Act or which is not installed in accordance with the advance notice requirements and location guidelines of the Act may be installed or maintained on any Lot except with the prior written approval of the Declarant during the Development Phase and thereafter by the Board of Directors or the Architectural Control

Committee. The Board of Directors may adopt guidelines on the installation of antennae and satellite dishes or disks which are not inconsistent with the Act.

In the event an Owner of a Lot shall make an unauthorized change to the Lot, as described in the two preceding paragraphs, the Association shall have the right, through its agents and employees, to enter upon said Lot and to repair, maintain and restore its appearance, as nearly as reasonably possible, to the same as it was prior to the unauthorized change. The cost of such work and any other costs or attorney's fees incurred in the enforcement of these provisions shall be added to and become a part of the assessments to which such Lot is subject.

The provisions of this Article shall not apply to improvements of any kind constructed upon any Lot or upon the Common Area by Declarant and Declarant is expressly exempt from the provisions of this Article.

ARTICLE VIII INSURANCE

The Association shall maintain insurance in accordance with the requirements of the North Carolina Planned Community Act.

ARTICLE IX USE RESTRICTIONS

Section 1. Rules and Regulations. Use and enjoyment of the Property shall be governed and regulated by the rules and regulations set out in this Article, which may be amended or abrogated only by amendment to this Declaration, as provided in Article XII, Section 3. However, the Board of Directors of the Association shall have the power to formulate, publish and enforce reasonable supplemental rules and regulations and may provide for imposition of fines and other penalties for the violation thereof or for the violation of any of the covenants and conditions contained in this Declaration, including rules and regulations adopted and published by the Association.

Section 2. Residential Use. Except as may be otherwise expressly provided in this Declaration, each Lot shall be used for single-family residential purposes only. Lease or rental of a house for residential purposes shall not be considered to be a violation of this Covenant, so long as the lease is in compliance with the provisions of this Declaration, the Bylaws and reasonable rules and regulations adopted by the Board. Notwithstanding any provision in this Declaration, the Declarant and professional builders authorized in writing by Declarant shall be permitted to maintain a sales office on one or more Lots during the Development Phase.

Section 3. Prohibition of Renting for Transient or Hotel Purposes. No Owner shall rent his Lot for transient, boarding or hotel purposes, which, for the purposes of this Declaration shall be defined as either a rental for any period less than one hundred eighty (180) days or any rental

if the lessee of the Lot is provided customary hotel services; provided, however, an Owner may rent his Lot for a shorter term, not less than five (5) days for up to two times within a calendar year. Each permitted lease shall be in writing and shall be subject to this Declaration, the Bylaws, and the Rules and Regulations adopted hereunder and any failure of the lessee to comply with the terms of such documents shall be a default under the lease. Other than the foregoing restrictions, each Owner shall have the full right to lease all or any portion of his Lot.

Section 4. Antennas/Satellite Dishes. As provided in Article VII, except for such as are covered by, and installed in strict compliance with, the requirements of the Telecommunications Act of 1996, as amended, no outside radio or transmission tower or receiving antenna, including a satellite dish antenna, and no outdoor television antenna or satellite dish may be erected or installed by an Owner or permitted by an Owner to remain on his or her Lot without the prior written approval of the Board of Directors or the Architectural Control Committee, if any.

Section 5. Dwelling Size and Specifications. Each dwelling constructed on a Lot shall have an enclosed, heated living area within the main structure, exclusive of open porches, garages, and other unheated spaces, of no less than 1,500 square feet. The Board of Directors (or Architectural Control Committee, if established) shall have the authority to approve reduction of the square foot minimum area as to a particular dwelling by no more than ten percent. No structure, overhang or extension thereof shall be built closer to the front property line of any lot or closer to the side lot lines than shall be established by any governmental body having such jurisdiction over the subject property.

Manufactured dwellings and modular dwellings are expressly prohibited. A "modular dwelling" shall mean a dwelling constructed in accordance with the standards set forth in the N.C. State Residential Building Code and composed of components substantially assembled in a manufacturing plant and transported to the building site for final assembly on a permanent foundation. A "manufactured dwelling" shall mean a dwelling that is composed of one or more components, each of which was substantially assembled in a manufacturing plant and designed to be transported to the home site on its own chassis.

Section 6. Additional Specifications. Without limiting the approval requirements of Article VII on Architectural Control, the following criteria shall provide minimum standards for construction of improvements on a Lot.

(a) Garages. All garages must be front entry only unless otherwise approved by the Board of Directors (or Architectural Control Committee, if established).

(b) Outbuildings. Outbuilding and storage buildings shall be permitted upon review and approval pursuant to the requirements of Article VII above.

(c) Driveways. All driveway culverts are to be installed according to City of High Point specifications.

(d) Solar Panels and Skylights. Solar heating panels and skylights are permitted, but must be installed in such a manner as not to be visible from any street in the Property.

(e) Swimming Pools. No above ground swimming pools of any type (including temporary or portable swimming pools) shall be constructed, installed or maintained upon any Lot.

(f) Fuel Tanks. All propane tanks and other fuel tanks shall be buried in the ground, or screened from view so as not to be noticeable or apparent from the abutting street(s) or lots immediately adjacent thereto and shall be installed and maintained in accordance with all applicable regulations. Any above ground tanks must be located on the rear of the dwelling or on the side of the dwelling at least fifteen (15) feet to the rear of the front corner of the dwelling.

(g) Fencing. No portion of any fence shall be erected or maintained on any Lot which is closer to the street (which the main structure faces) than the rear building line of the structure. No fence shall exceed six (6) feet in height. All fences (including composition of materials and manner of construction) must be approved in writing in advance pursuant to Article VII. Without limiting the generality of the foregoing approval requirement, no chain link fencing of any kind shall be allowed. The Association shall have the power and authority to determine if a structure constitutes a "fence" as referred to in this paragraph.

(h) Play Equipment. No basketball backboards, swings, trampolines, sliding boards or other child's play apparatus may be affixed or placed in the front yard of any Lot. Portable basketball goals are not permitted within the driveway of any street.

(i) Decks. Decks are considered a part of the structure and must be approved as provided in Article VII. Any deck must be located on the rear of the dwelling or on a side of the dwelling extending not more than ten feet from the side of the dwelling and no closer than fifteen feet from the front corner of the dwelling, as reasonably interpreted by the Board of Directors (or Architectural Control Committee, if established).

Section 7. Maintenance. Each Lot shall be maintained and preserved by the Owner in a clean, orderly, and attractive manner within the spirit of the development. Each owner of a Lot shall be responsible for maintenance of the portion of the street right-of-way between his Lot and the street and for the portion of any sidewalk on the Owner's lot or between the Owner's Lot and the street. The Declarant or its agent and the Association shall have the right to enter upon any Lot or area to remove such waste or cut and remove any construction material, grass, weeds, trees, etc., on any Lot or area deemed by public authority or the Declarant or its agent or the Association, to be unsightly. If the Declarant or Association performs the work to comply with this restriction then the cost shall be borne by the Lot owner and the cost shall be a lien upon the Lot until paid as with other assessments. Trash, garbage, or other waste shall be kept in sanitary containers, either in a garage or at the rear of the dwelling, in such manner that such containers shall be screened from view from any immediately adjacent lot or street except on day of collection, and promptly removed from the street after collection.

All landscaping shall be done in such a manner that erosion and sedimentation shall be stabilized and controlled in accordance with applicable state and county regulations. Landscaping must be in harmony with other homes within the subdivision. Until the end of the Development Phase, the Declarant shall have the final decision as to whether the property has been landscaped in accordance with these restrictions.

All driveways, drainage tiles located under driveways, and drainage ditches and culverts along any streets, (specifically including the portions of the driveway, and any drainage tiles and drainage ditches which are located within the right of way of any public or private street), shall be constructed and maintained by each Lot owner in conformity with any requirements of the North Carolina Department of Transportation or any other governmental office having jurisdiction over roadways. No owner of any Lot shall construct or install, or permit to be constructed or installed any improvement (including of any trees or plants) within the right of way of any street which would cause such street to not be accepted into the State or other local governmental roadway maintenance system. Each Lot owner shall indemnify the Association and the Declarant for any expenses, including reasonable attorneys fees, which the Association or the Declarant incurs because a Lot owner has not complied with the provisions of this paragraph. Any expense incurred by the Association to remedy an Owner's noncompliance with this paragraph, including the Association's reasonable attorney fees, shall be an additional assessment against the applicable Lot and enforceable as with other assessments.

Section 8. Nuisances. No activity deemed noxious or offensive by the Board of Directors or the Architectural Control Committee, if any, shall be carried on upon any Lot or within the Common Area, nor shall anything be done thereon which may be or may become an annoyance or nuisance to the neighborhood as determined by said Board or Committee. Examples of such offensive activities shall include, but not be limited to, the origination or emission of any loud or disturbing noise or vibrations, failure of occupants to insure that garage doors are closed at all times except when automotive traffic is moving in or out; the maintenance of an auto repair site; the maintenance of unsightly outdoor storage of personal property (including toys, motorcycles or other motor vehicles, tricycles, bicycles, wood piles or other miscellaneous items) on porches, patios, terraces or yards; and similar unsightly activity (such as use of outdoor clothes drying lines) not in keeping with the aesthetic character and high level of appearance of the community.

No potentially hazardous or toxic materials or substances shall be used or stored on any Lot other than normal household, lawn and garden products which shall be used by Owner in a manner that will not permit spills or runoff of such materials anywhere within the Property. No activity shall be allowed which violates local, state or federal laws or regulations and the Board shall have the right, but not the obligation, to take enforcement action in the event of a violation.

Section 9. Animals. No animals, livestock, or poultry of any kind shall be kept or maintained on any Lot or in any dwelling except that dogs, cats or other customary household pets may be kept or maintained provided that they are not kept or maintained for commercial

purposes. The number of household pets generally considered to be outdoor pets, such as dogs and cats, shall not exceed two (2) in number, except for newborn offspring of such household pets which are under six (6) months in age. Notwithstanding the foregoing, the Association shall have the right to prohibit, or require the removal of, any dog or other animal which the Association, in its sole discretion, deems to be undesirable, a nuisance or a safety hazard after consideration of factors such as size, breed and disposition of the animal, likely interference by the animal with the peaceful enjoyment of the Property by Owners and the security measures taken by the Owner with respect to such animal.

Section 10. Temporary Structures. No residence or other improvement of a temporary nature shall be erected or allowed to remain on any Lot, and no outbuilding, trailer, basement, shack, tent, garage, barn or any other building of a similar nature shall be used as a residence on any Lot, either temporarily or permanently.

Section 11. Vehicles. Except during construction or for temporary loading and unloading of household goods, no truck or commercial vehicle in excess of one ton load capacity may be parked on or permitted to remain on any Lot or the Common Area.

No vehicle of any type which is abandoned, inoperative, wrecked, or lacking of a current license tag and inspection sticker shall be stored, parked or kept in the Common Area nor shall any such vehicle be stored, parked or kept on any Lot, and no automobiles or other mechanical equipment may be dismantled or parts thereof stored on any said Lot. No vehicles of any type shall be parked on the sidewalk or within a street rightofway, nor shall vehicles of any type be parked or stored on any part of a Lot not improved for that purpose (a garage, driveway or parking pad). This prohibition shall not preclude occasional, overnight or temporary daytime overflow parking within the street rightofway by guests of an Owner, or tenant of an Owner, as long as no inconvenience is imposed upon one or more Owners of other Lot(s).

The provisions of this Article shall not preclude the parking of construction trailers within the Property or the construction, maintenance and use by a builder of temporary buildings and other structures while there is new construction and/or sales activities within the Property. Daytime and overnight parking of trucks and other construction vehicles shall also be permitted throughout the Lot development and construction periods.

No trailers of any type, mobile house trailers, on or off wheels, recreational vehicles ("RVs"), motorcycles, scooters, motor homes, vehicles or enclosed bodies of the type which may be placed on or attached to a vehicle (known generally as "campers"), commercial vehicles of any kind (including buses) or boats or boat trailers shall be permitted, parked or stored in the Common Area, or on any street, or within any Lot unless garaged; provided that the temporary parking of commercial vehicles will be permitted while the driver thereof is on business delivering goods or services to a customer within the Property.

Mini-bikes, go-carts, golf carts, ATVs and similar vehicles are prohibited from being used or operated on or within the Property.

Section 12. Signs. No signs or other advertising devices shall be erected upon or displayed or otherwise exposed to view on any Lot, or any improvement thereon, without the prior written consent of the Association, except that "For Sale" signs not exceeding 20" x 35" may be placed upon a Lot and provided, further, that Declarant, and professional home builders authorized in writing by Declarant, may post temporary "For Sale" and other advertising signs anywhere on the Property during the Development Phase.

Section 13. Control of Dogs. Every person owning or having possession, charge, care, custody or control of a dog shall keep such dog exclusively upon his or her Lot; provided, that such dog may be off premises if it is under the control of a competent person and restrained by a chain, leash or other means of adequate physical control.

Section 14. Garbage and Refuse Disposal. No Lot shall be used or maintained as a dumping ground for rubbish, and all trash, garbage and other waste shall be stored in sanitary containers in accordance with the rules and regulations of the Association and of any health or public safety authority having jurisdiction over the Property. No trash, garbage or other waste may be placed within the Common Area, except in containers approved by the Association.

Section 15. Subdivision of Lots. No Lot shall be subdivided into a lot smaller than or different from the Lot shown on the recorded plat and no street shall be laid out across or through any Lot, except with the written consent of the Declarant during the Development Phase and thereafter by the Board of Directors.

Section 16. Waiver. Declarant reserves the right to waive, in whole or in part, minor violations of any of the foregoing restrictions and Declarant may appoint a successor by an instrument filed in the Guilford County Registry who shall also have the right during such period to waive, in whole or in part, any minor violations of the foregoing restrictions. After the Development Phase has ended, minor violations of the restrictive covenants contained herein may be waived by the Board of Directors (or the Architectural Control Committee, if established) and immediately adjacent Lot owners by an instrument signed by those parties.

Section 17. Applicability. The provisions of this Article IX shall not apply to the property described as Lots A, B, C, D, E, F and G as shown on the Plat.

ARTICLE X EASEMENTS AND BUFFERS

Section 1. Existing Easements. All of the Property, including Lots and Common Areas, shall be subject to such easements for water lines, drainage easements, storm drainage facilities, cluster box unit(s) for centralized mail delivery, gas lines, telephone lines, electric power lines and other private and public utilities as shall be established by the Declarant by designation on the plat or plats of the Property, or otherwise established. In addition, there is

hereby reserved in the Declarant and its agents and employees an easement and right of ingress, egress, and regress across all Common Areas now or hereafter owned by the Association, for the purpose of development of the Property and construction of improvements within the Property.

Section 2. Construction. Declarant hereby reserves a construction easement over the Property for the purposes reasonably related to installation of streets and utilities and construction of dwellings on the Lots and improvements on the Common Areas, and Declarant, its contractors and professional builders authorized in writing, shall have full rights of ingress and egress to and through, over and about the Properties during such period of time that Declarant is engaged in any construction or improvement work on or within the Properties and shall further have an easement for the purpose of storing the materials, vehicles, tools, equipment, etc., which are being utilized in such construction. No Owner, nor his/her guests or invitees, shall in any way interfere or hamper Declarant or its employees or contractors in the exercise of these rights and easements.

Section 3. Establishment of Easements. The Declarant shall have the power and authority to grant and establish, to terminate, or to relocate, upon, over, under and across the Common Areas such further easements as are in the opinion of the Declarant requisite for the convenient use, development and enjoyment of the Property. After the conveyance of the Common Areas to the Association, but during the Development Phase, the Declarant shall also have the right to cause the Association to effect the Declarant's rights under this section. Once both the Common Area is conveyed to the Association and the Development Phase has ended, the Association shall have succeeded to the powers under this section.

Section 4. Sign Easements. The Association may maintain, within the Common Area, subdivision signs and landscaping and lighting surrounding such signs. The costs of all such maintenance, repair and replacements of the signs, landscaping and lighting shall be part of the common expenses of the Association, payable by the Owners as set out in Article V of this Declaration. In addition, easements for the maintenance of subdivision signs and landscaping and lighting surrounding the signs are reserved as indicated on recorded plats. The Declarant hereby grants, gives and conveys to the Association a perpetual, nonexclusive easement over the portions of Lots designated as A sign easement@ or similar designation on the plats, to maintain, repair and replace the subdivision signs which may be located thereon from time to time, and the lighting fixtures and landscaping surrounding the signs. In addition to the easement granted above, the Declarant hereby gives, grants and conveys to the Association the right of ingress, egress and regress over other portions of such Lots as shall be reasonably necessary to effectuate the purposes stated above.

ARTICLE XI INDEMINIFICATION

Neither Declarant, nor any member of Declarant, nor any Member, nor the Board of Directors (individually or collectively), nor any officers, directors, agents or employees of the

Association, shall be personally liable for debts contracted for, or otherwise incurred by, the Association or for a tort of a Member, whether such Member was acting on behalf of the Association or otherwise. Neither Declarant, nor the Association, nor their directors, officers, agents, members or employees, shall be liable for any incidental or consequential damages for failure to inspect the Lots, the Common Areas or any other portion of the Property, or any improvements thereon, or for failure to repair or maintain the same. Neither Declarant, the Association nor any other person, firm or entity making such repairs or maintenance shall be liable for any personal injury or other incidental or consequential damages occasioned by any act or omission in the repair or maintenance of any Property or improvements.

The Association shall, to the extent permitted by applicable law, indemnify, defend and save harmless all members of the Board from and against any and all loss, cost, expense, damage, liability, claim, action or cause of action arising from or relating to the performance by the Board of its duties and obligations, except for any such loss, cost, expense, damage, liability, claim, action or cause of action resulting from the gross negligence or willful misconduct of the person(s) to be indemnified.

The Association shall indemnify every director, officer, former director and former officer of the Association and any person who may have served at the request of the Association as a director or officer of another corporation, whether for profit or notforprofit, against expenses (including attorneys' fees) and liabilities actually and reasonably incurred by him or her in connection with the defense of, or as a consequence of any threatened, pending or completed action, suit or proceeding (whether civil or criminal) in which he or she is made a party or was (or is threatened to be made) a party by reason of being, or having been, such director or officer, except in relation to matters as to which he shall be adjudged in such action, suit or proceeding to be liable for gross negligence or willful misconduct in the performance of a duty.

The indemnifications provided herein shall not be deemed exclusive of any other rights to which those indemnified may be entitled under any statute, bylaw, agreement, vote of members or of disinterested directors, or otherwise, and shall continue as to a person who has ceased to be a director, officer, employee or agent and shall inure to the benefit of the heirs, executors and administrators of such a person.

The Association shall undertake to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the Association, or is or was serving at the request of the Association as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against any liability asserted against him or her and incurred by him or her in such capacity, or arising out of his or her status as such, whether or not the Association would have the power to indemnify him or her against such liability.

The Association's indemnity of any person who is or was a director, officer, employee or agent of the Association, or is or was serving at the request of the Association as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other

enterprise, shall be reduced by any amounts such person may collect as indemnification (i) under any policy of insurance purchased and maintained on his or her behalf by the Association or (ii) from such other corporation, partnership, joint venture, trust or other enterprise.

Nothing contained in this Article XI, or in the bylaws, shall operate to indemnify any director or officer if such indemnification is for any reason contrary to any applicable state or federal law.

ARTICLE XII DECLARANT RIGHTS

The Declarant hereby reserves all special declarant rights as that term is now or hereafter defined by the North Carolina Planned Community Act. Notwithstanding the foregoing, the Declarant shall (a) have the right to complete improvements indicated on plats of the Property and plans filed with this Declaration; (b) have the right to exercise any development right described in this Declaration; (c) have the right for itself and builders authorized by the Declaration to maintain sales offices, models, management offices, signs and flags advertising the planned community, (d) have the right to use easements through the common elements for the purpose of making improvements within the planned community or within real estate which may be added to the planned community; (e) have the right to make the planned community part of a larger planned community or group of planned communities; (f) have the right to make the planned community subject to a master association; and (g) have the right to appoint or remove any officer or board member of the Association or any master association during any period of declarant control.

ARTICLE XIII GENERAL PROVISIONS

Section 1. Enforcement. The Association, and each Owner, shall have the right to enforce by proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens, and charges now or hereafter imposed by the provisions for this Declaration. Failure by the Association or by any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter. The covenants of the Declarant, the Association and Owners under this declaration are real covenants which run with the land even if not so designated under specific paragraphs of this declaration.

Section 2. Severability. Invalidation of any one of these covenants or restrictions by judgement or court order shall in no way affect any other provisions which shall remain in full force and effect.

Section 3. Duration, Renewal and Termination. The covenants and restrictions of this Declaration shall run with and bind the land for a term of twenty (20) years from the date this Declaration is recorded, after which time they shall be automatically extended for successive

periods of ten (10) years unless abrogated by a written termination agreement signed by seventy-five (75) percent of the Members and filed in the Register of Deeds of the county in which the Property are located within sixty (60) days prior to the beginning of a ten (10) year extension period.

Section 4. Amendments.

(a) Intent. The Declarant intends this Declaration to be freely amendable without undue constraint in order to (i) promote the orderly development of the Property and sale of Lots within the Property by the Declarant and builders who purchase and improve Lots, in the Declarant's reasonable discretion and (ii) permit the Owners, after the expiration of the Development Phase, to govern their community in a manner which may not have been anticipated by the Declarant at the time of the original Declaration, but in which a clear consensus of the Owners may elect. Considering the nature and scope of this development, the Declarant believes that a sixty-seven percent approval percentage by the Owners evidences a reasonable indicia of a clear consensus of the Owners for an amendment to this Declaration and that such approval process would be a reasonable expectation of the future Owners within this development even if such amendment might expand or curtail the scope of this original Declaration. In order to accomplish these intentions, the Declarant reserves the right to unilaterally amend this Declaration and grants to the Owners the authority to amend this Declaration, upon and subject to the provisions of this Section.

(b) Declarant Amendments. Subject to the limitations in this Declaration, this Declaration may be unilaterally amended, altered, provisions waived or otherwise changed by the Declarant, and its successors and assigns. Without limiting the generality of the foregoing, the Declarant may amend this Declaration if such amendment is necessary to (a) bring this Declaration into compliance with any rule, regulation or requirement of the Federal Housing Administration, The Federal National Mortgage Association, The Federal Home Loan Mortgage Corporation, Veterans Administration, or local government; (ii) make corrective changes, and (iii) reflect the relocation of boundary lines between the Common Area and any Lots or among any Lots, provided however, that an approved re-subdivision of the affected property is properly recorded.

(c) Owner Amendments. Subject to the limitations in this Declaration, this Declaration may be amended with the approval of the Owners of Lots to which at least sixty-seven percent (67%) of the votes in the Association are allocated. Such Owners' approval must be evidenced by either (a) one or more written instruments signed by such Owners, or (b) by an electronic record bearing an electronic signature of such Owners, as permitted under Article 40 of Chapter 66 of the North Carolina General Statutes. The written instruments and/or electronic records indicating the Owners' approval shall be kept with the corporate minute book of the Association if not included with the recorded amendment.

(d) Limitations. No amendment by the Declarant shall adversely affect the title to any Lot or have a material adverse effect upon any right of an Owner unless the affected Owner consents in writing to the amendment. During the Development Phase, any amendment by the Owners must be approved in writing by the Declarant in order to be effective.

(e) Recording of Amendments. Amendments to this Declaration shall become effective upon recordation in the land records of each county in which the Property is located, unless a later effective date is specified in the amendment. Amendments to this Declaration shall become effective upon recordation in the land records of each county in which the Property is located, unless a later effective date is specified in the amendment. Amendments to this Declaration by the Association shall be prepared, executed by an officer of the Association, recorded, and acknowledged in accordance with Chapter 10B and/or Chapter 47 of the North Carolina General Statutes, or their successor statutes. The written instruments or electronic records indicating the Owners' approval need not be included with the recorded amendment, but if not included, the officer of the Association executing the amendment shall certify that the requisite number of Owners approved the amendment. Such certification shall be included with the recorded amendment.

Section 5. Management and Contract Rights of Association. Declarant may enter into a contract with a management company or manager for the purpose of providing professional services in the operation, care, supervision, maintenance, and management of the Property. However, no such contract shall be binding upon the Association except through express adoption or ratification of the terms and conditions of such contract by the Board of Directors of the Association. Any management contract entered into by Declarant, or by the Association during the Development Phase, shall contain a provision allowing the Association to terminate such contract without justification or penalty after the Development Phase.

Section 6. Owner's Duty to Notify of Mailing Address. Each Owner shall have the affirmative obligation to notify the Association of the Owner's current mailing address, if different from the address of the Owner's Lot. The Association may prescribe the specific manner in which such notice must be given, but in any event, such notice must be in writing, must be in the form of a letter or memorandum specifically stating that the Owner's mailing address is different from the Lot address, and if the Association has hired a professional property manager, such notice must be given to the property manager. An address contained on envelopes or checks shall not constitute notice to the Association of a mailing address change. The Owner shall have the duty to confirm that the Association has received notice of the Owner's current mailing address. If the Association determines that it does not have a current mailing address for an Owner, the Association shall be entitled to rely on the most recent records of the county tax collector to determine the mailing address of the Owner.

IN WITNESS WHEREOF, Declarant has caused this instrument to be executed this
7th day of June, 2021.
