Re: Updated Storrington Pool Rules

Dear Residents,

As we move forward with opening the pool for community use this year we have updated the pool rules to be more stringent this year because of COVID-19 and the need to comply with all local/state guidelines concerning social distancing. Please be advised that all residents will be required to have new pool use paperwork on file before using the pool. Please familiarize yourself with the pool rules on the back side of this letter before using the pool. Thank you for help as we navigate around the current health climate.

Sincerely,

Prestige Management Group, Inc. and Storrington Board of Directors

Managing Agents for Storrington HOA
