ARTICLE V

COVENANT FOR MAINTENANCE ASSESSMENTS

Section One. Creation of the Lien and Personal Obligation of Assessments. The Declarant, for each Lot owned within the Properties, hereby covenants, and each Owner of any Lot by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association: (1) annual assessments or charges, and (2) special assessments for capital improvements, such assessments to be established and collected as hereinafter provided. The annual and special assessments, together with interest, costs and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, cost and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due. The personal obligation for the delinquent assessments shall not pass to his successors in title unless expressly assumed by them.

Section Two. Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote the recreation, health, safety, and welfare of the residents of the Properties and in particular for the acquisition, improvement and maintenance of Common Areas, including the maintenance, repair and reconstruction or private streets, driveways, walks and parking areas situated on the Common Area, such maintenance to include the cutting and removal of weeds and grass, the removal of trash and rubbish or any other maintenance and for the exterior maintenance of the residences situated upon the Properties as hereinafter provided or for the use and enjoyment of the Common Area, including but not limited to, the cost of repairs, replacements and additions, the cost of labor, equipment, materials, management and supervision, the payment of taxes and public assessments assessed against the Common Area, the procurement and maintenance of insurance in accordance with this Declaration, the employment of attorneys to represent the Association when necessary,

BX3424 PG2057

the provision of adequate reserves for the replacement of capital improvements including, without limiting the generality of the foregoing, roofs, paving, and any other major expense for which the Association is responsible, and such other needs as may arise.

Section Three. Reserves. The Association shall establish and maintain an adequate reserve fund for the periodic maintenance, repair and replacement of improvements to the common areas and those other portions of the Properties which the Association may be obligated to maintain. Such reserve fund is to be established out of regular assessments for common expense.

Section Four. Maximum Annual Assessment. Until January 1 of the year immediately following the conveyance of the first lot to an Owner, the maximum annual assessment shall be FIFTY AND NO/100 (\$50.00) DOLLARS per Lot.

(a) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment may be increased effective January 1 of each year without a vote of membership by up to ten percent (10%) of the previous year assessment.

(b) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment may be increased above the increase permitted in Section Four(a) above by a vote of two-thirds (2/3) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The limitations hereof shall not apply to any change in the maximum and basis of the assessments undertaken as an incident to a merger or consolidation in which the Association is authorized to participate under its Articles of Incorporation.

~~(d) The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.~~

Section Five. Special Assessments for Capital Improvements. In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Area, and in connection with exterior maintenance, including fixtures and personal property related thereto, provided that any such assessment shall have the assent of two-thirds (2/3) of the votes of each class of Members who are voting in person or by proxy at a meeting duly called for this purpose.

Section Six. Notice and Quorum for any Action Authorized Under Sections Four and Five. Written notice of any meeting called for the purpose of taking any action authorized under Section Four or Five shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence of Members or of proxies entitled to cast sixty percent (60%) of all the votes of each class of membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section Seven. Uniform Rate of Assessment. Both annual and special assessments shall, except as herein otherwise specifically provided, be fixed at a uniform rate for all Lots and shall be collected on a monthly basis. Provided, however, that the assessment for Lots owned by Declarant which are not occupied as a residence, may be a lesser amount as fixed by the Board of Directors of the Association, but shall not be less than twenty-five percent (25%) of the regular assessments for other Lots.

Section Eight. Date of Commencement of Annual Assessments: Due Dates. The annual assessments provided for herein shall commence as to all Lots on the first day of the month following the conveyance of the Common Area. Such annual assessments shall be paid ratably on a monthly basis. The Board of Directors shall fix the amount of the annual assessment against each Lot at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every Owner subject thereto. The due dates shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid.

Section Nine. Effect of Nonpayment of Assessments: Remedies of the Association. Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the highest rate permitted by law on the date the assessment became due. The Association may bring an action at law against the Owner personally obligated to pay the same or foreclose the lien against the property and in either event interest, costs and reasonable attorney's fees of any such action shall be added to the assessment. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of his Lot.

Section Ten. Subordination of the Lien to Mortgages and Ad Valorem Taxes. The lien of the assessments provided for herein shall

be subordinate to the lien of any first mortgage and ad valorem taxes. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to mortgage or tax foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No such sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.

Section Eleven. Exempt Property. All Properties dedicated to, and accepted by, a local public authority and all Properties owned by a charitable or nonprofit organization exempt from taxation by the laws of the State of North Carolina shall be exempt from the assessments created herein. However, no land or improvements devoted to dwelling use shall be exempt from said assessments.

Section Twelve. Working Capital Fund. At the time of closing of the sale of each unit a sum equal to at least two months assessment for each unit shall be collected and transferred to the Association to be held as a working capital fund. The purpose of said fund is to insure that the Association Board will have adequate cash available to meet unforeseen expenses, and to acquire additional equipment or services deemed necessary or desirable. Amounts paid into the fund shall not be considered advance payment of regular assessments.

ARTICLE VI

EXTERIOR MAINTENANCE

In addition to maintenance of the Common Area, the Association shall provide exterior maintenance upon each Lot which is subject to assessment hereunder, as follows: paint and/or stain the exterior of the townhouses, repair, replace and care for roofs, gutters, downspouts, exterior building surfaces, trees, shrubs, grass, walks, mailboxes, fences installed by Declarant or the Association, exterior post lights (excluding electricity therefor), and other exterior improvements. Such exterior maintenance shall not include glass surfaces. Further, the Owner of any Lot may at his election plant trees, shrubs, flowers and grass in his rear yard and may also maintain portions or all of his rear yard provided that such maintenance by the Owner does not hinder the Association in performing its maintenance of the exterior of the house and the remaining yard spaces. No such maintenance by a Lot Owner shall reduce the assessment payable by him to the Association. If, in the opinion of the Association, any such Owner fails to maintain his rear yard in a neat and orderly manner, the Association may undertake any required maintenance and add the cost thereof to the assessment against such Owner's Lot. The Owner shall not plant any vegetation in the front yard except with the prior written approval of the Association.

(As a matter of information to future Members of the Association, the developers wish to make it known that due to differing amounts of exposure to the elements and other factors, some dwellings may require more maintenance than others and that it is in the best interest of the entire Association that all units be properly maintained and that the Association shall be required to provide such maintenance provided for herein and make a uniform rate of charge without regard to the actual cost of maintenance of each dwelling.)

In the event that the need for maintenance or repair is caused through the willful or negligent act of the Owner, his family, or guests, or invitees, the cost of such maintenance or repairs shall be added to and become a part of the assessment to which such Lot is subject. The Association is hereby granted an easement right of access to go upon any Lot for performance of repairs or maintenance, the responsibility of which is the Association's hereunder.

ARTICLE VII

PARTY WALLS

Section One. General Rules of Law to Apply. Each wall is built as a part of the original construction of the homes upon the Properties and placed on the dividing line between the Lots and all reconstruction or extensions of such walls shall constitute party walls, and, to the extent not inconsistent with the provisions of this Article, the general rules of law regarding party walls, lateral support in below-ground construction and of liability for property damage due to negligence or willful acts or omissions shall apply thereto.

Section Two. Sharing of Repair and Maintenance. The cost of reasonable repair and maintenance of a party wall shall be shared by the Owners who make use of the wall in proportion to such use.

Section Three. Destruction by Fire or Other Casualty. If a party wall is destroyed or damaged by fire or other casualty, any Owner who has used the wall may restore it and if the other Owners thereafter make use of the wall, they shall contribute to the cost of restoration thereof in proportion to such use without prejudice, however, to the right of any such Owners to call for a larger contribution from the others under any rule of law regarding liability for negligent or willful acts, or omissions.

Section Four. Easement and Right to Entry for Repair, Maintenance and Reconstruction. Every Owner shall have an easement and right of entry upon the Lot of another Owner to the extent necessary to perform repair, maintenance or reconstruction of a party wall. Such repair, maintenance or reconstruction shall be done

expeditiously. Upon completion of such construction, such Owner shall restore the adjoining Lot to as near the same condition which prevailed on it before the commencement of such construction as is reasonably practicable.

Section Five. Weatherproofing. Notwithstanding any other provision of this Article, an Owner who by his negligent or willful act causes the party wall to be exposed to the elements shall bear the whole cost of furnishing the necessary protection against such elements and repairing all damage resulting from such exposure.

Section Six. Right to Contribution Runs with Land. The right of any Owner to contribution from any other Owner under this Article shall be appurtenant to the land and shall pass to such Owner's successors in title.

Section Seven. Certification by Adjoining Property Owner That No Contribution is Due. If any Owner desires to sell his property, he may, in order to assure a prospective purchaser that no adjoining property Owner has a right of contribution as provided in this Article VI, request of the adjoining property Owner or property Owners a certificate that no contribution exists, whereupon it shall be the duty of each adjoining property Owner to make such certification immediately upon request without charge; provided, however, that where the adjoining property Owner claims a right of contribution, the certification shall contain a recital of the amount claimed.

Section Eight. Arbitration. In the event of any dispute arising concerning party wall, or under the provisions of this Article, such dispute shall be settled by arbitration as provided by the laws of North Carolina, relating to arbitration as then existing.

ARTICLE VIII

ARCHITECTURAL CONTROL

No building, fence, signs, wall or other structure shall be commenced, erected or maintained upon the Properties, nor shall any exterior addition to or change or alteration therein be made until the plans and specifications showing the nature, kind, shape, height, materials, and location of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Board of Directors of the Association, or by an architectural committee composed of three (3) or more representatives appointed by the Board. In the event said Board, or its designated committee, fails to approve or disapprove such design and location within thirty (30) days after said plans and specifications have been submitted to it, approval will not be required and this Article will be deemed to have been fully complied with.

083424702032

ARTICLE IX

ANNEXATION OF ADDITIONAL PROPERTIES

Section One. Annexation of additional property, except as provided in Section Two of this Article IX, shall require the assent of two-thirds (2/3) of the Class A membership and two-thirds (2/3) of the Class B membership, if any, at a meeting duly called for this purpose, written notice of which shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The presence of Members or of proxies entitled to cast sixty percent (60%) of the votes of each class of membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called subject to the notice requirement set forth above and the required quorum at such subsequent meeting shall be one-half (1/2) of the required quorum of the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting. In the event that two-thirds (2/3) of the Class A membership or two-thirds (2/3) of the Class B membership are not present in person or by proxy, Members not present may give their written assent to the action taken thereat.

Section Two. If within seven (7) years of the date of incorporation of this Association, the Declarant should develop additional land within the property described in Exhibit B as hereinabove provided in Article I, such land may be annexed by the Declarant in the manner provided in Article I without the consent of Members provided that the Federal Housing Administration and the Veterans Administration determine that the annexation is in accord with the general plan heretofore provided by them.

Section Three. Annexation of additional Properties shall be accomplished by recording in the County Registry a Declaration of Annexation, duly executed by the Declarant if the Declarant has the right to annex pursuant to Section Two above (and by the Association if pursuant to Section One above), describing the lands annexed and incorporating the provisions of this Declaration, either by reference or by fully setting out said provisions of this Declaration. The additional lands shall be deemed annexed to the Properties on the date of recordation of the Declaration of Annexation, and in the case of an annexation by the Declarant, no action or consent on the part of the Association or any other person or entity shall be necessary to accomplish the annexation except the City of Greensboro if required by its ordinances.

Section Four. Subsequent to recordation of the Declaration of

Annexation by the Declarant, the Declarant shall deliver to the Association one or more deeds conveying any Common Area within the lands annexed as such Common Area is developed.

ARTICLE X

INSURANCE

Section One. Insurance coverage on the Property shall be governed by the following provisions:

(a) Ownership of Policies. All insurance policies upon the Properties shall be purchased by the Association for the benefit of all the Association and the Owners and their mortgagees as their interests may appear, and provisions shall be made for the issuance of certificates of mortgagee endorsements to the mortgagees of Owners. Owners may, at their option, obtain insurance coverage at their own expense upon their own personal property and for their personal liability and living expense and such other coverage as they may desire.

(b) Coverage. All buildings and improvements upon the land and all personal property included in the Common Areas and facilities shall be insured in an amount equal to one hundred percent (100%) insurable replacement value as determined annually by the Association with the assistance of the insurance company providing coverage. Such coverage shall provide protection against:

(i) Loss or damage by fire and other hazards covered by a standard extended coverage endorsement, and

(ii) Such other risks as from time to time shall be customarily covered with respect to buildings on the land.

(iii) Such policies shall contain clauses providing for waiver of subrogation.

(c) Liability. Public liability insurance shall be secured by the Association with limits of liability of no less than One Million Dollars (\$1,000,000.00) per occurrence and shall include an endorsement to cover liability of the Owners as a group to a single Owner. There shall also be obtained such other insurance coverage as the Association shall determine from time to time to be desirable and necessary.
